## **Treasurer Reports**

The budget updated from taking into account numerous gift cards for prizes and activities getting approved. The request was accepted by finance. The \$200 requested from Thunder Society was canceled though it got approved.

## **Sub-Committee Reports**

Spring Gift Baskets - There are still a couple of baskets left. SGA is giving students a second chance to come by the Student Union to pick up baskets if they haven't received one. Dates offered are still pending, currently on the first-come-first-served basis.

SGA Visibility - Members of SGA decided upon either jackets or sweatshirts. The decision still in the making, two members would like sweaters if optional and the rest is fine with jackets being the final decision again. A group photo of SGA members planned for March 3, 2021, photo would be taken by Luann Poitra as discussed in the last meeting.

Safety suggestions/requests by Angel Moniz - Tabled it to be further discussed at the next meeting due to Angel being absent.

Student Activities by Amanda Peltier - If students can give their own proposals of activities that will be family-focused. A suggestion was continuing YMCA visits. This information will be passed along to TJES's parent board with the proposal in mind of incorporating family activities with their after-school programs. Jessie Talley, TJES's principal, will be contacted and invited to the next SGA meeting.

Bowling is a possibility, bringing back the shuttle bus, incorporating TJES is crucial, gift cards for movies/bowling from Family Housing, another color run. Kelsey from Wellness, an event representative, will be invited to the next meeting to hear our ideas.

Streaming equipment - Utilize a microphone for the virtual side of meetings. Glendon will send in a sample and Paige will put in a PR.

SGA Calendar events - utilize the online calendar or physically print a calendar and share that online for everyone. Events that aren't getting advertised

well will hopefully be solved. Integrate back in old habits for students to use such as utilizing their school email on the UTTC website.

Calendar month activities: That were extended from the last meeting.

- March - Meet on the 20th (Sat.) for a possible St. Patrick Day Event. A flyer will be posted, still in planning/progress. Ideas range from having candy/snacks or small hot food; to games like bingo, etc. The next meeting, 3/10/21, will finalize the outline plan.
  - For events, Michael Star, if available will do photos.
- April - Planned Easter Egg Hunt on campus. Crucial to bring in safety precautions for children. Ideas range from utilizing the trail on campus to hide eggs, dye eggs, coloring books, any club ideas if they want to participate.
  - Student Awards Banquet - due to COVID-19, canceled.
- August - Powwow sponsored event. Either has a booth planned, activities like tug-a-war, or a watermelon eating contest.
- October - Events depend if the masquerade is an option this year. Other ideas from different sponsored clubs to raise money such as face or pumpkin painting etc.
- November - Indigenous Day, find some way to celebrate it.
- January - Baskets again.

### *New Business*
