Approval of Minutes From the Last Meeting

Minutes posted Nov 18 online in MyUTTC, Motion made to approve past posted minutes by Lacey, motion seconded by Angel. Motion passed.

Treasurer Reports

The budget remains the same

Sub-Committee Reports

- Officer reports from HLC meetings First meeting, Sharnell reported the meeting consisted of if UTTC was holding to their statement. Second meeting, Lacey reported if the criteria were being met at UTTC, such as good communication from students and their advisors. Both meetings well met.
- Robert's Rules Paige recommended contacting Clyde again Spring semester to reintroduce Robert's Rules again. Connie pitched in if the references of Robert's Rules should be posted on MyUTTC website so everyone has access to them; ongoing can be discussed as New Business.
- Student Participation Overall the timing is not ideal for many students to attend SGA meetings. The ideal conclusion was to set up an anonymous poll for students to use and communicate with SGA that way. Tabled as a New Business to discuss further come Spring semester. A motion made by Lacey, seconded by Angel. All in favor, motion carried.
- Rock Your Moccs Thunder Society, Angel reported it'll be like a creative photo competition. Participants will submit their photos to Facebook and Thunder Society will go through them and pick winners, the final winner will get a prize. All planning still underway, will have finalized plans at the end of the week or month; remained to be further updated.

New Business

- Student Discussion biggest challenge will be how to access feedback. Polls will be a good place to start where a vast email will be sent out to all at UTTC.
 - Sharnell appointed a new Sub-Committee to be created. Angel will volunteer in creating the Sub-Committee and Connie volunteered to help, Lacey volunteered to be on standby.
 - Sub-Committee will deal with student outreach questions regarding speeding on campus and repercussions, student and

- children safety on campus, and will SGA be able to help in some way. Overall, the parent's concerns and students' choices.
- Create a new SGA email to get the poll up and running to be later posted on the MyUTTC website so all can have access to it.
 - The email could be shared during student orientation to further spread the word all year round.
- Technical difficulty regarding SGA posted meeting minutes. Still up and running, more time needed to get minutes posted on MyUTTC.
- Christmas on Campus SGA budget can fund this event of finding ways to give back to students and their families. Ideas range from food baskets, COVID care packages, student gift cards, warm clothes giveaway, Etc.
 - Motion to Table it and to create a Sub-Committee.
 - Lacey volunteered to create a sub-committee and thus made the motion, motion seconded by Lynette. All in favor, motion passed.
- TMCC "Something Else" Challenge instead of officers of SGA just participating, the challenge opened to other students from UTTC to compete. At least 10 students to volunteer and create a video.
 - Possibly a flyer can be made to create an opportunity for students to join if they are interested.
 - Graduation students will be asked to volunteer.
 - A motion made by Lacey for the challenge to commence, Lynette seconded. Motion carried that Paige will take the lead.
